Electric Hobs

Tricity Bendix offers a choice of three different hobs.

- Sealed plate hobs which are very easy to clean and exceptionally hard wearing. Some include Red Dot Zones which indicate a speedier heat up time.
- The attractive ceramic hob, smooth, stylish and easier to clean. Made from toughened glass, ceramic hobs ensure the heat is transferred evenly into the pan.
- Each cooking zone heats up to full heat in seconds and boiling times are also reduced. As the heat is applied to the saucepan almost instantly and reduces quickly when turned down, food is less likely to burn or boil over.

Tricity Bendix

With Tricity Bendix, you are certain to find a refrigerator to suit your lifestyle.

You can choose from a variety of heights, storage volumes and combinations of fresh and frozen food space. The doors on many models are also reversible allowing you to position the appliance exactly where you want to in your kitchen.

Choice doesn't end once you've selected the fridge freezer that is perfect for you. Simply move the adjustable shelves to suit the food you'll be storing while salad boxes, dairy compartments and a variety of freezer drawers and shelves give more than enough specific storage space. Even space in the doors is optimised with convenient bottle and storage shelves making access easy and storage secure.
